

BATTLE OF THE FIRE SUPPORT BASES

50th Anniversary of Coral and Balmoral

Some of the most intense fighting experienced by the Australians during the Vietnam War occurred at Fire Support Bases Coral and Balmoral in May and June 1968. The Mint proudly commemorates the 50th anniversary of the Battles of Coral and Balmoral with this striking uncirculated 50 cent coin that will appeal to the military historians and coin collectors alike.

3801 – A Legend of Steam

The romance of train travel and the bygone era of steam locomotives is evoked and brought to life with this coloured uncirculated coin. 3801 – A Legend of Steam celebrates one of Australia's most loved steam locomotives which is undergoing a lengthy overhaul and restoration. The coin's design features the 3801 at full steam embellished with a coloured print of the engine's distinctive green and yellow colour way. Make sure to place your orders quickly before this train leaves the station.

2018 30TH ANNIVERSARY OF \$2 COIN

In 1988 the two dollar coin joined Australia's array of circulating currency and with it, came the opportunity to honour our country's Indigenous population. In the 30 years since, the \$2 coin has also marked our nation's shared history with special commemorative designs for Anzac Day, Remembrance Day and milestones such as Her Majesty Queen Elizabeth II 60 years on the throne. To mark this anniversary, a select array of past designs have been reproduced and packaged together as commemorative sets.

Be sure to get in quick, these 2018 dated sets won't last long. Order yours now!
